## June 2010 Bulletin

### 2010 PRESIDENT'S MESSAGE

We had a successful show on June 13th at the Haskins Ranch in Clements. Sandy and Art were great hosts and we appreciate them letting us have our shows at their beautiful facility. We had 50 works and Debbie McGregor did a great job taking care of the judge's duties. Ron Koehne and Ron Campbell did a great job handling the cattle. We enjoyed the great food from Donkey J's.

The next show is August 1 at the Diaz Ranch in Woodland. Tom tells me we will have Mexican cattle for our next show. More word to follow, but we are discussing with Tom the possibility of cutting outside.

We have four shows left so there is plenty of time to get points towards our year-end awards. The saddle standings are still wide open. You will see some adjustments in points in the bulletin. We have audited the points to make sure we have counted just members in the standings.

Be sure and get your tickets for the raffle for a Tom Block saddle sponsored by Valero Refinery and the Koehnes.

We know we are still in difficult economic times and we thank everyone who has stepped up to help sponsor our awards
